

“Mommy and Me”

If You...

- Are looking for something fun to do with your active toddler one morning a week...
- Are looking for some “age mates” for your toddler to play with...
- Want to meet other families and exchange some “parent survival tactics” and experiences . . .

. . . then check out St. Stephen Preschool's “**Mommy and Me**” program which provides structured yet fun opportunities for physical and social development.

“**MOMMY AND ME**” is a parent

participation program designed for Moms (Dads, Grandparents or Caregivers) and their toddlers. Our program provides age-appropriate learning activities in a secure environment with caregiver participation. Thus, it is a great stepping stone program for children before they start preschool. We offer free choice activities, art projects, outside time, music, body movement, finger plays, stories and a time for parent discussions.

Topics

We will be discussing topics like:

- toilet training
- sharing
- setting limits
- nutrition
- sibling rivalry
- developing positive self-esteem
- and much more!

Staff

Our staff is selected for their experience and training in the field of Early Childhood Education and Child Development, as well as their warmth and sensitivity to the needs of young children and their parents.

Accreditation

St. Stephen Preschool is one of only a few San Fernando Valley preschools accredited by the

**National
Academy
of Early
Childhood
Programs.**

We have voluntarily undergone a comprehensive process of internal self-study and invited external professional review to verify compliance with the Academy's Criteria for High Quality Early Childhood Programs.
